

**UNITED STATES BANKRUPTCY COURT  
NORTHERN DISTRICT OF TEXAS  
OFFICE OF THE CLERK**

---

**July 29, 2005**

**CLERK'S NOTICE 05-05**

**URGENT INFORMATION ON PAY.GOV**

Effective August 28, 2005, all CM/ECF users making fee payments by Internet credit card through Pay.gov must use Internet Explorer 5.5 or higher as their browser. This is the only browser certified for use by version 3.2 of the Treasury's Pay.gov system which is scheduled to be deployed on August 28, 2005.

Previous versions of Pay.gov worked with Netscape 4.7. However, recent testing of version 3.2 has confirmed that this will no longer be the situation. Therefore, if you have not already done so, you are encouraged to acquire and use Internet Explorer 5.5 or higher for all fee payments as soon as possible.

Netscape will continue to work with CM/ECF as long as interaction with Pay.gov for fee payments is not necessary.
